

The Selecta one group is a global player in breeding, producing and marketing of vegetatively propagated ornamental plants with more than 2500 employees worldwide. Fifteen production and distribution sites are located in Europe, Africa, Asia and America.

Selecta Ethiopia is a new production site of the Selecta one Group. The construction of Selecta Ethiopia started in 2021. It comprises a greenhouse area of approximately 10 hectares with enough expansion potential near to the shores of beautiful Lake Tana.

For our production site in Ethiopia, (700+ employees) we are currently looking for a young and enthusiastic

Operations Manager (m/f/x) **who wants to take the challenge in an international environment**

YOUR TASKS

- Setting up a quality management system for our farm in Ethiopia
- Coordinating and training the local staff
- Planning and improving the logistic processes
- Increasing team spirit and cooperation between departments on the farm
- Initiating projects for continuous improvement and sustainability projects
- Engaging in community projects outside the farm
- Supporting the farm administration (HR, Finance)

YOUR QUALIFICATION

- Adventurous personality that is curious about African culture and wants to make the difference
- Successfully completed HBO or Bachelor and work experience in project management or relevant fields
- Work experience in developing countries is beneficial, but not required
- High quality awareness and a hands-on mentality
- Dedicated personality with an affinity for plants and respect for other cultures
- Good knowledge of MS Office and good English language skills

WE OFFER

- A challenging position with creative freedom and excellent personal development opportunities within our internationally positioned group
- A safe and international working environment where you can develop yourself further
- Great opportunity to gain experience and management skills
- Flexible working hours; attractive compensation with additional benefits (health care, car, housing, flights)
- A motivated and multicultural team in which sustainability, innovation and stability count
