

The Selecta Group is a world-leader in breeding, growing, and marketing of ornamental plants. Our breeding activities comprise bedding and balcony plants, houseplants, perennials, cut flowers, and young vegetable plants. With production sites and sales offices spanning Europe, Africa, Asia, and America, we serve all relevant markets worldwide.

**Selecta Canarias** is a production site of the Selecta Group. It comprises 36.000 sqm that are divided in two departments: the production of Solanaceae and the Elite department with the production of all crops for the Selecta one Group. The General Manager is responsible for both departments and the operations of the farm.

For our production site in Tenerife/Spain we are looking as part of a succession plan for a

## General Manager (m/f/x)
